

Fellfoot Forward Landscape Partnership Scheme: Uncovering the Past Oral History Project

Interview Recording Agreement

Recordings of oral histories form the basis of an oral history project. Your recorded interview will become part of a collection cared for by the North Pennines National Landscape where it will be preserved for future use as a public reference resource. Its future uses will include research, publication, education, lectures, broadcasting and internet access.

This agreement is made between the North Pennines National Landscape's **Fellfoot Forward Landscape Partnership Scheme** (the "project") and you (the "interviewee", "I").

Declaration: I confirm that I agreed to take part in the recording and hereby assign to the North Pennines National Landscape all copyright in my contribution for use in all and any media. I understand that this will not affect my moral right to be identified as the 'performer' in accordance with the Copyright, Design and Patents Act 1988.
